Maine Real Estate Investors Group Workshop Proposal Guidelines

Thank you for your interest in speaking or presenting to the Maine Real Estate Investors Group.

Attached are three items: our **Workshop Proposal Form**, our **Membership Benefits Manual** and our **Code of Ethics**.

Workshop Proposal Form.

- While we're aware that some people are great public speakers but are less skilled at organizing their thoughts and presentation in writing, we do ask that you complete our Workshop Proposal form as fully as you possibly can. This helps us determine the right venue for your presentation, and gives us ideas for other topics or workshops you could do.

Membership Benefits Manual.

- The Membership Benefits Manual describes the many positive and exciting benefits of being part of MREIG. We are proud to offer such a wide array of opportunities for you to grow your reputation and your business.

Code of Ethics.

- We expect all speakers/presenters—and all MREIG members—to be people and organizations representing the best of the best in our profession, and to embrace our code of ethics as your own.

Parameters for Speakers:

We invite non-MREIG members to offer workshop & presentation topics for chapter meetings, and if accepted, will gladly have you speak at a single upcoming chapter meeting without asking you to become a MREIG member. (We cannot pay our chapter meeting presenters, but of course, your attendance at that event, and your meal, are both free.)

Individuals or businesses wishing to present at more than one chapter meeting, or interested in offering fee-based workshops, must be MREIG members. (Please see **Membership Benefits Manual**, attached.)

The Maine Real Estate Investors Group is in many respects a blend of trade association and chamber of commerce. Like most such organizations, we are always looking for good quality speakers, but aside from occasional "big name" keynoters, we prefer to use the skills and resources to be found within our membership.

Speaking opportunities include chapter meetings (MREIG has 9 chapters from Saco to Bangor, each meeting monthly excluding July), fee-based workshops, brown bag lunches, site tours with mini-presentations, and teleseminars.

Each of our events receive significant publicity within the MREIG membership, through our mailing list, on our fan page on Facebook, on LinkedIn, MeetUp, our website, and through our memberships in multiple chambers of commerce and trade associations, as well as in press releases to the public media.

We look forward to receiving your proposal!
